

Greetings brethren in the Name of our risen Savior! Grace to you and happy belated Resurrection Day.

We at Community Baptist Church (CBC) greatly enjoyed gathering together to celebrate and commemorate the gospel last weekend. Though we do this every weekend, how great it was to emphasize the greatness of the gospel to those who attended the services. How great is our God!

Praise opportunities:

1. Recently, a young lady, Lana, received the Lord Jesus Christ as her Savior!
2. I will be leading several people, 6 or 7, through a course on "how to study and interpret the Bible" on Saturdays starting May 7th. There are also several people, 15, going through a course on "preparing and proclaiming Biblical messages" on Sundays.
3. Selena's overall health is "been having more great days than good days."
4. Due to one of our redemptive relationships, we met a Christian young lady who is now coming to CBC. She is also inviting others to come with her!

Prayer opportunities:

1. Regarding praise item #4, pray for the salvation of that redemptive relationship mentioned.
2. Pray for CBC, spiritual and numerical growth.
3. Selena, along with a young lady at CBC, started a every other week ladies fellowship called, "Cuppa". Pray for this iron sharpening ministry.
